KERALA STATE INDUSTRIAL ENTERPRISES LTD.
(Owned by Govt. of Kerala)

KERALA STATE INDUSTRIAL ENTERPRISES LTD.

Kerala State Industrial Enterprises Ltd. (KSIE), established in 1973, expended almost 40 years building a company with core competency in Air Cargo Industry, providing dynamic and innovative solutions to customer needs with unblemished reliability and security. It is a company that never shied away from reinventing itself to spice up the reputation acquired in more than four decades.

Reading its history demonstrates a unique and paramount success story among other PSUs of the State. KSIE was setup as a holding company under the Industries Department, Govt. of Kerala to revitalize and foster the sick units under the Department. The optimum financial variability coupled with high power management capabilities drive us to accomplish targeted goals flawlessly.

COCHIN INTERNATIONAL CONTAINER FREIGHT STATION

Cochin International Container Freight Station (CICFS) is a landmark among the marine logistics ventures in Kochi, the Industrial Capital of Kerala. Our Container Freight Station has become a beacon in the marine logistics infrastructure. Everyone count on us for the impeccable service, inviting atmosphere and for the superb infrastructure. The CICFS has made significant achievements in cargo handling within a short span of time since its inception. The infrastructure encompass 8.5 acres of robust land extending along the International Container Transhipment Terminal (ICTT) road. The built-up area in 60000 Sq.ft. include standard warehouses and administrative office complex.

In addition to the Vacuum Dewatered Concrete yard with High Mast Lighting, sophisticated cargo handling equipments including 40T Reach Stacker, Forklifts, 100T Weighbridge, Pallet Trucks, High end Surveillance system, etc. add efficacy to the services we offer.

INFRASTRUCTURE DIVISION

The Infrastructure Division is one of KSIE's key Departments comprising of a group of professionals who are geared up to contribute their cutting-edge knowledge and skill for creating required infrastructure assets in the state. The infrastructure division undertakes Turnkey project, Consultancy Service etc. and has proven expertise in innovative thinking, cost management and is focused on delivering high quality construction works within budgeted time and costs. The resource potential of KSIE has been recognized by the Govt. of Kerala and has selected KSIE as an accredited agency for carrying out general works.

AIR CARGO COMPLEXES

The Govt. of India's decision to establish Air Cargo Complexes in States to streamline the Import and Export activities under one roof set KSIE in motion as the custodian of Air Cargo Complex at Thiruvananthapuram. In a further move to integrate the Company's portfolio of services, KSIE has extended its operations to Kochi and Kozhikode Airports.

Presently, KSIE has state-of-the-art Air Cargo Complexes in Thiruvananthapuram and Kozhikode with ISO certifications offering boundless service.

KERALA SOAPS

Reincarnating the legacy and the ethnic splendour of "God's own country," with rare blend of precious oils and exotic fragrance entrenched in rich floral of the virgin woods, formulated in traditional style, "Kerala Soaps" outshines with passion among the toiletries. The most celebrated products from "Kerala Soaps" leave a distinct trail of opulence among its users.

The installed capacity of the plant is 12000MT/year. Premium soaps like Kerala Sandal, Thrill Exotic and Thrill Chempakam are the top selling brands in the market. Kerala Soaps have widened its product range adding VEP, Kairali, Coaltar and Washwell detergent cake. More products are also in streamline to invade the market. Kerala Soaps' products are available in Asian countries including Japan and Middle East. Kerala Soaps is available for online purchase at www.keralasoaps.net.

BUSINESS CENTRES
